Using Governmental Units (UGUs) and Contractors Instructions for Use

Full terms and conditions for the contracts may be found at the links on the main page of the contract sheet. The information provided here is for general use and as a quick reference to the specific terms and conditions of each contract. Any disparity between this contract sheet and the actual contract will be resolved by giving precedence to the contract.

General Instructions

1. UGUs will **NOT** be required to sign any additional documents for use of the services provided by any contract. Contractors MAY provide additional documents providing details of the contract but said documents may not impose terms and conditions not already in the contract and will not require a signature. Reference the "Contract Documents and Order of Precedence" clause in Section VIIB of the contract.
2. When using a contractor, UGUs will contact a contractor to service their area/location to fill the UGUs need for temporary personnel for the job position desired. If the contractor is not able to fill that need (the inability must be documented), the UGU will refer to another contractor for service. This procedure will be utilized for each job position needed.
3. UGUs shall process a Purchase Order (PO) in SCEIS to the appropriate contractor for use of their services. UGUs that do not process POs through SCEIS will use their standard PO processing procedures.
4. Temporary personnel may only be initially assigned to the UGU **for a maximum 12 month period**. After that, the temporary personnel may be extended for an additional 12 months more in that same job position with UGU approval.
5. The State has established a list of temporary personnel service job positions and accompanying job descriptions ([Click here](#)). New job positions and the accompanying job descriptions may not be added to the contract by the contractor or UGU. Only the Materials Management Office may add additional positions and accompanying job descriptions. Contact the Procurement Officer for details about adding job positions to the contract.
6. The State has established a **minimum** hourly pay rate for these job positions. Contractors will invoice the State at the hourly pay rate plus the mark-up percentage associated with their offer. UGUs may request that temporary personnel be paid a higher wage than listed. If the UGU requests a higher wage be paid, the contract provider will invoice utilizing the requested wage plus their mark-up.
7. UGUs may request interviews with temporary personnel prior to assignment. These interviews will be at the contractor's expense. Interviews will be no longer than one (1) hour in duration.
8. Depending on the UGU, the temporary personnel may be asked to sign information security documents, confidentiality documents, acceptable use policies, and access agreements. This does not construe any employment agreement.
9. Contractor will perform screening to ensure that the temporary personnel have the skills necessary to perform all duties listed in the position description for the assignment which they are being submitted. This screening must be performed prior to the assignment.

General Instructions (Continued)

10. Contractor will conduct a criminal history background check for its employees working under this contract and provide the UGU with the documentation prior to the assignment's start date. The scope will be nationwide and, at a minimum, must include federal, state, and county records for all states where the Contractor's employee has resided in the past seven years and a sex offender registry check.
11. Assignments may require a drug screening before and during assignment. If the UGU determines it is necessary and requests, the Contractor will conduct a drug screening and confirm a negative drug screen to the UGU. The minimum drug screening requirement is the US Department of Health & Human Services 5-panel DOT screening. The UGU will pay for drug screening if it is required.
12. Contractor will not invoice based on faxed/copied time sheets or time sheets signed by unauthorized individuals. Invoicing shall be in accordance with the standard procedures of the individual contractor.
13. UGU will utilize temporary workers a minimum of four (4) hours per assignment. Any hours worked over forty (40) hours within one (1) week will be considered overtime. A week runs from Sunday to Saturday when calculating overtime. Overtime must be verified by the UGU prior to billing.
14. Temporary personnel must have a current, valid State Driver's License in order to drive a UGU vehicle. Contractor will be responsible for any traffic citation that the temporary personnel receives while driving a UGU vehicle.
